Definitions

Single vehicle: car, motorcycle, van, SUV, or pickup truck

Heavy vehicle: any vehicle greater than 6000 kgs and/or 7 meters (23 feet)

Placement of the annual Pass Sticker

Please affix the sticker to the **PASSENGER SIDE** of the **front windshield**, at the **bottom**. This makes it easier for the crew to identify those vehicles that are not annual pass holders, and that need to make a payment.

Sticker – Passenger Side

Township of Frontenac Islands vehicles and vehicles that, through previous notification, the Township of Frontenac Islands identifies as undertaking Township business are exempted.

As directed by County Council, staff shall consider the following when loading the Frontenac-Howe Islander Ferry during the hours of 6:30 am to 8:30 am travelling off the Island and the hours of 4:00 pm to 6:00 pm travelling onto the Island (peak periods):

- One “heavy truck”, defined with a weight/length combination not to exceed 21 tonnes and 8.5 metres/28 feet, may be loaded during peak periods travelling in the identified directions as long as, in the opinion of on-duty staff, the “heavy truck” can be loaded efficiently and safely onto the ferry with 14 other vehicles or a combination of vehicles and trailers.
- Vehicles supporting agricultural operations are exempted from the above times.
